# *Whispering Winds Women's Auxiliary*

**35 years and growing!**

It all started with a request from Don Kojis to start an auxiliary for WW. Together Bernice Mascari and Kathy Brown prayerfully agreed to form an auxiliary in 1988. The motto they chose was "Called to His Purpose." Romans 8:28

Bus trip to Forest Home to visit and learn how their auxiliary worked.

A group of women met  
in each other's homes  
and began planning...  
Retreats, Hoe Downs  
and General Meetings!

**BUS TRIP TO FOREST HOME**

Great opportunity for those of us who have never been to Forest Home as well as those who have but would like to see it again from a different perspective. Forest Home is in the San Bernardino Mountains and is the model for Whispering Winds Family Camp.

The Auxiliary is planning a bus trip on Wednesday, April 12th. The pick up point is St. Therese Church parking lot on the corners of College/ Waring and Navaio in the Del Cerro area. Your cars will be safe and we felt this was a pretty central location. The bus will leave at 7:30 a.m., so allow enough time to park and board. We hope to arrive at Forest Home about 10:30 a.m. which should give us plenty of time to have a guided tour, reflect spiritually on our new endeavor, enjoy a delicious lunch in the dining room and return to St. Therese about 4:00 p.m. All of this for only \$15.00. What a bargain! Seats are available on a first come first serve basis so get a group together and call immediately to make reservations! Audrey White #279-5550, Audrey Miller #466-0042. Your check should be received by April 1st. Mail it to: Audrey Miller, 4170 North Rogers Road, Spring Valley, Ca., 90777.

**RETREAT PLANNED**

The spiritual growth committee is pleased to announce that a retreat for the general membership of WMA is being planned for October 14-15. Please reserve these dates. The retreat will be held at Whispering Winds.

Whispering Winds  
Family Day 1993

guest speaker: *Diana Raiche*

Diana Raiche has lived through many of the problems affecting modern day families. Schedules, school, jobs, and family are squeezed into 24 hour days, and spirituality is often left to a 1 hour mass on Sundays. While Diana speaks of sharing faith in family, she also will present the problems, and view of "Real Life Family Spirituality". She is currently Director of Catechetical Ministry at St. James Parish, Solana Beach, and has served the community as teacher, lecturer, and volunteer.

During Diana's talk, your infants and toddlers will be cared for and loved by our staff. Pre-K and Kindergarten will join and enjoy the wonders of God's "small" world. Elementary children will explore Jesus in nature through fun and shared activities. Junior High kids will experience God in the beauty of the great outdoors, and high schoolers will be challenged to take a closer look at what God's world has to offer them. Liturgy and lunch are followed by an afternoon of family fun and games.
