

CAMP HIDEAWAY

Fellowship adventures for groups of 40 or less

We are happy to announce **CAMP HIDEAWAY** at Whispering Winds! This unique offering is designed to accommodate smaller groups from our community that are unable to reach the 40-guest minimum of our traditional reservations.

Our goal is to make Camp Hideaway a positive experience your guests will never forget by focusing on fellowship.

Along with providing fully equipped A/V set-up in your indoor gathering spaces, enjoy the peaceful outdoor seating at Cedar House, experience the beauty of nature on our many hiking trails, eat chef-inspired meals & gather at the amphitheater/fire pit under the stars - all part of your Camp Hideaway experience!
