

Our Prayer Intentions

Gratitude and Praise

- We praise God for allowing our marketing efforts to reach more people this past year and for using us to glorify Him in both seen and unseen ways.

Safety and Protection

- We pray for an injury-free year for campers and staff.
- May the camp continue to avoid peril and remain a safe haven for all who visit.

Team Harmony and Excellence

- We pray for harmony and collaboration among our team. May each member support and encourage one another, working together with respect, trust, and understanding to achieve our goals.
- We ask for God's guidance to foster growth as a team and as individuals, helping us remain open to change, learning, and adaptation.
- May our leaders have the wisdom and discernment to make decisions that promote sustainability and a well-maintained environment.
- We pray for patience and peace in moments of challenge, allowing the team to approach difficulties with positivity and perseverance.

Guidance and Blessings

- May God guide and bless each department, every staff member, and their families as they serve with dedication and love.
- We pray for continued inspiration to create welcoming spaces like the coffee corner and dining hall to foster community and warmth.

For Campers, Partners, and Programs

- May the children of Camp Jack continue to be blessed by their week at camp.
- We pray that Whispering Winds remains accessible to all, helping guests connect with God and one another on the mountain.
- We lift up all our non-profit partners, asking for strength and sustainability for their vital missions.
- We pray for youth ministers and leaders who work tirelessly to bring their groups to camp, asking God to bless and sustain their ministry.

For Campers, Partners, and Programs (Cont'd)

- We pray that our efforts to connect with parishes, nonprofits, and sponsors bring unity, collaboration, and a shared vision of faith and service. May our work bear fruit in fostering meaningful relationships that glorify God.
- Lord, bless the events and programs organized by our team, including the 2025 Gala, 6th Grade Camp, Family Camps, and the Confirmation Retreat. May these efforts bring joy, healing, and spiritual growth to all participating.

For 2025, Staff and Volunteers

- We pray for joyful hearts and a sense of purpose among our 2025 staff, Women's Auxiliary, and volunteers as they serve.
- We pray for our Leadership, especially our Board of Directors.
- We ask for God's guidance in bringing the right young people to serve as summer support staff, continuing the growth of this program.
- Whether new or returning, may campers feel celebrated and appreciated from their first contact through checkout.

Inspiration and Generosity

- May the Holy Spirit inspire each department with creativity and wisdom as they plan events, campaigns, and outreach efforts. May their initiatives touch hearts and bring more people closer to Christ.
- We ask for blessings upon all sponsors, donors, and volunteers who contribute to Whispering Winds. May their generosity be multiplied, and may their support enable the camp to continue its mission of serving others in faith and love.

Personal Intentions

- For Jacob and Gemma, may they have a blessed wedding and a joyful start to their new life together in Minnesota.
- We pray for Steve to remain cancer-free throughout the year.
- For Elizabeth and Katie, as they prepare to welcome new additions to their families, we ask God to bless their physical and mental health and the well-being of their babies.

Rooted in Mission

- We pray that our staff always remembers the "why" behind our work, serving as a reflection of God's love and grace.

Community Prayer Intentions

Larry Sheehan:

Please join me in praying for all those who are in treatment for cancer and may experience complete healing and recovery from cancer.

Please join me in praying for the WW staff, Board, volunteers, and all guests who will experience WW in 2025. May they experience a deeper relationship with Jesus.

Prayers for God's Blessings to you all.

Lori Vecchio:

Thank you for all you do at Whispering Winds. I pray for you all too!

My prayer intention is for my husband and I to live long enough to see all our kids get married and have their own children and for my stem cell transplant to be long-lasting and defy the odds, and become the new standard of care. I know I'm holding out a big cup, but that is what St. Faustina asks! Our Lord also says to ask big.

Anne Denbow:

Complete recovery for two family members who are critically ill:
